TO WHOM IT MAY CONCERN:

This letter is to confirm that as a part of Wilson Blanchard Property Management team, I strongly recommend you consider Vital Safety Services as a candidate for any of your required Fire & Life Safety needs. The company is on Preferred Contractor List.

Vital Safety Services and their workers are an excellent example of a professional and committed service supplier. Mr. Fera clearly understands what is needed in not only performing the work in a timely and effective manner, but he also ensured that his work is closely monitored and of high quality.

Any required service calls were treated as top priority, and response time was excellent. Their pricing is always fair and reasonable. Inspections, reports and deficiencies were performed and completed in ways that exceeded expectations.
