To Whom it May Concern,

I have been working with Mark Fera and Vital Safety Services since 2014 and have always been impressed with the service they provide.

They have always been true to their word and complete the job (Monthly, Annual fire inspection, Camera installations or Enterphone upgrades) on time and with great results.

They also stand behind the work they do and are more than accommodating if something unexpected occurs.

Always a pleasure to work with the Vital Safety Services team.

Yours truly,
Maple Ridge Community Management Ltd.

A handwritten signature in black ink that reads 'M Marshall'. The signature is fluid and cursive, with the first name 'M' being particularly large and stylized.
