Mark Fera
VITAL SAFETY SERVICES
2355 Derry Rd E Unit 6
Mississauga, ON

To whom it may concern;

It gives me great pleasure to be writing this recommendation for Vital Safety Services. I have used their services at a few properties. I have always found them to be both professional and knowledgeable. Mark Fera's attention to detail is so precise that I know I leave my fire safety systems in very capable hands.

Emergency response time is always minimal and work is completed in a timely manner. Pricing is always fair and reasonable. Vital Safety Services delivers on its promises.

I find this company's desire to educate their clients extremely refreshing and beneficial not only to me as a manager but to the buildings I manage.
